

## Behavioral Health top 100 Analysis I & II

This is an analysis of Behavioral Health (BH) expenditures and episodes of the one hundred people that had the highest BH spending for dates of payment in calendar year 2014. Analysis I: Is based in the population with the highest Community Mental Health (CMH) expenditures. Analysis II: Is based on the population with the highest Total Behavioral Health (Total BH) expenditures. Total BH includes expenditures for Community Mental Health (CMH), Substance Use Disorder (SUD) treatment, specific Behavioral Health Rx, and All Other Behavioral Health services not provided in CMH or SUD settings. Please see the notes tab for data field definitions.

**Top 100 CY2014 Community Mental Health (CMH) Users By Expenditure Using Specific Diagnosis Codes**
